TOTAL AMOUNT DUE	

* If the entry in column 1 is less than the entry in column 2, write "no element."

²² If the Highest Number is n , then i at $i = 1$ to n is i itself, and i at $i = n + 1$ to $2n$ is $n + i - n$.

*** If the Defect Number is greater than or equal to 99999, it will appear as "99999".

The Higher Education Research Institute (HERI) has been conducting the Higher Education Research Survey (HERS) since 1999. The survey is a comprehensive survey of the higher education sector in the United Kingdom. It is the largest and most comprehensive survey of its kind in the world. The survey is conducted annually and covers a wide range of topics, including student satisfaction, teaching quality, and institutional performance. The survey is conducted by the Higher Education Research Institute (HERI) at the University of York. The survey is a comprehensive survey of the higher education sector in the United Kingdom. <p>The English language is a complex system of communication, and its study is a challenging task. This book is a comprehensive guide to the English language, covering grammar, vocabulary, and pronunciation. It is designed for students of English as a second language, and it provides a clear and concise explanation of the rules and conventions of the language. The book is divided into several sections, each focusing on a different aspect of the language. The first section covers the basics of grammar, including the parts of speech and sentence structure. The second section covers vocabulary, and the third section covers pronunciation. The book is written in a clear and accessible style, and it includes many examples and exercises to help students understand and practice the language. It is a valuable resource for anyone who is learning English, and it is highly recommended for students of English as a second language.</p>	<p>English language is a complex system of communication, and its study is a challenging task.
